

Annual Reports for Clopton APM - May 2019 to May 2021

Communications:

Clopton eNews: cloptonnews@gmail.com

The CloptonNews email service continues. It was a useful tool during the covid-19 lockdowns to keep everyone in touch and provide local information. We currently have exactly 100 local residents on our circulation list.

Clopton now has a Facebook page, which is helpful for getting local information around quickly, and for those who haven't signed up to the eNews.

.....

Clopton Website: www.clopton.onesuffolk.net

The last 2 years have seen very little change to the Clopton website.

During the year 2020 to 2021, items on the Events pages were removed from the calendar as Covid-19 saw the cancellation of all bookings at the village hall.

The Parish Clerk has continued to maintain the Parish Council pages, posting notices; the agenda and minutes of Parish Council meetings.

The website maintenance charge, payable to Onesuffolk.net, remains at £60.00 p.a. (14 April 2021).

Annual Reports for Clopton APM - May 2019 to May 2021

Clopton Hobbies Group

Meetings of the Clopton Hobbies and Social Morning were suspended this year but we are hoping to get together again in July.

This year we have kept in touch with weekly Zoom meetings and have found them a welcome source of support during a difficult time.
